KAGADI DISTRICT LOCAL GOVERNMENT PRODUCTION DEPARTMENT

P.O.BOX 39, KAGADI DISTRICT

29th July 2024

All Agricultural Officers across all LLGs,

STATUS OF MICROSCALE PROGAM IMPLEMENTATION FOR F/Y 2023/2024

As you are aware for the last financial year the department received funds to support farmers access water on their farms to boost production and productivity. Out of the awareness created, farm visits made and farmers commitments done, 34 farmers managed to pay the commitment fee of 1,000,000 each. During the time of actual implementation, only 22 farmers managed to successfully meet their co-funding obligation as in the table 1 below; Twelve farmers could not manage to fulfill their obligations due to a number of reasons indicated in the table 2;

The micro-scale irrigation implementation guidelines allow a refund of the commitment fee in case a farmer fails to fulfill the total co-funding cost to the equipment. As highlighted above 12 farmers did not benefit in the last financial year and therefore need for refund

The purpose of this communication is three fold;

1. To Let you know about the implementation status of the concluded financial year for micro-scale irrigation program
2. Request you to urgently interact with the farmers who paid and did not benefit from the program to ascertain whether they are still interested in the program and in case they are no longer interested a refund of their money be done. Let farmers be advised to write to the Chief Administrative Officer requesting for their refund to ease processing of the same and attach either the deposit slip or a receipt from accounts department.
3. Request you to urgently enroll farmers who are interested in benefitting this current financial year 2024/2025 to show interest by enrolling them on the new **IRAS** system
